EXPLORE THE SURROUNDINGS...

Located in the grounds of the Raywell House Estate, owners of our luxury lodges benefit from a secure site with exclusive access to the mature forest that surrounds them.

With each plot planned to offer privacy and a true sense of space, lodges in The Woodlands are situated around a centrepiece of an ornamental lake with waterfall. Separated from The Woodlands by an embankment and trees, The Pastures also offers a lake with a spectacular water feature and fantastic views of the Yorkshire Wolds.

Open all year round, owners can visit their luxury holiday lodge as often as they wish, and the annual park fee covers all maintenance and landscaping - giving you *the* one of the largest, well-tended gardens possible, without the hard work. You could even rent out your holiday sanctuary to friends and family to cover your costs, or keep it as your little secret: the choice is yours
